AFFIDAVIT OF AFFIANT

On 07-14-05 I was assigned to investigate this case in which Suspect Linda Alex (10-18-50) stole jewelry valued at 5,000.00 from Victim Julie Hinkel (06-28-67) while they were living at the same residence, located at 2308 Byer Road in Santa Cruz County when approximately four (4) days after Suspect Alex moved out of the residence, Victim Hinkel received a letter from Alex in which she admitted to stealing her jewelry and pawning it at three (3) separate pawn shops, two (2) in the City of San Jose and one (1) in the City of Salinas. Suspect Alex later mailed the pawn slips to Victim Hinkel after she requested them during a telephone conversation. Victim Hinkel viewed the jewelry listed on all of the slips and identified it as belonging to her.

Hinkel delivered the pawn slips receipts to Santa Cruz Sheriff's Detectives and they were booked as evidence. I contacted all three (3) of the pawn shops and notified them they were in possession of stolen property and placed a 90 day hold on all of the items listed on the slips. I interviewed Suspect Linda Alex via telephone and she confided to me that she had stolen Victim Hinkel's jewelry and pawned it at the three (3) pawnshops. Suspect Alex verified that the pawn slip receipts that she had mailed to Victim Hinkel were for the items she had stolen from Hinkel to support her gambling addiction.

A Warrant of Arrest has been issued for the arrest of Linda Alex in this case for violation of Penal Code 487(a) – Grand Theft. I have been in contact with Suspect Alex and she has told me she intends to turn herself in sometime during the next few weeks. I request that a Court Order be issued to gain compliance from the pawnbrokers involved in this case and to compel them to release the stolen property to the Santa Cruz Sheriff's Office, where it would be secured in Sheriff's Property until it is needed as evidence by the court. Upon completion of the criminal proceedings I request that the court return the stolen property to its' rightful owner.

I declare under penalty of perjury that the foregoing is true and correct based on information and belief.
